

A vertical photograph showing four ripe, golden-brown apples hanging from a tree branch. The apples are arranged in a vertical line, with the top one slightly offset to the left. They have a smooth, slightly textured skin and a small stem at the bottom. The background is filled with green leaves, some of which are in sharp focus, while others are blurred. The lighting is bright, creating highlights on the apples' surfaces and casting soft shadows.

BUCCIA ruvida, rugginosa, lenticelle rade
